

2018 West Michigan Birdathon Pledge Form

Dear Friends and Family,

I am excited to be part of a bird watching team participating in the 2018 West Michigan Birdathon fundraiser sponsored by the Grand Rapids Audubon Club, Inc. ("GRAC"). Our team will spend up to six hours running all over Kent, Muskegon, Ottawa and Barry Counties to see how many different species of birds we can identify. Teams compete to find the most species, rarest species, "wild-card" species and to have fun! Most importantly, teams compete to raise the most money for environmental education in West Michigan. With your help, I might win an award for the most money raised!

GRAC's educational programs reached hundreds of adults, college students, and elementary students in West Michigan last year. GRAC provided support to outdoor programs for children, including Discover Millennium Park. This could be a child's first quality experience learning about nature! This year we could extend our environmental education efforts with your help. GRAC also provides monthly programs featuring live speakers each month during the school year. These programs are free and open to the public.

GRAC also owns and maintains a nature preserve which protects native plants, bird nesting areas, other wildlife and rare wildflowers. Part of their budget supports the removal of invasive species at this preserve. Funds raised by the birdathon, in addition to a portion of GRAC's budget, will help GRAC increase efforts to control invasive species so that native plants, birds and animals are protected in the preserve.

This is where you come in – won't you help support GRAC's education and conservation programs by making a pledge? If you pledge over \$50, you can receive a 1-year membership in GRAC as a thank you gift. I will greatly appreciate any amount, no matter how small. Your pledge can be a set donation, a per species amount, a per species amount with a limit, or some other creative pledge.

Thank you for sponsoring me with a **tax deductible** pledge!

Sincerely,

Your Birdathon Team Member
