

These are the positions we need to fill to keep Grand Rapids Audubon running. I've found it a fun and rewarding experience myself and recommend you give it a try. The Club, through its educational and conservation programs, makes a real difference right here in west Michigan. This is your opportunity to make a contribution.

Scott Hutchings, Nominating Committee Chairperson
nominations@graud.org

Vice-President: The Vice-President runs meetings in the absence of the President, arranges for speakers at the general meetings and works with the owners of our meeting space.

Fund Development Chairperson: Fund Development involves fundraising and building the endowment fund.

Junior Audubon Leader: Junior Audubon is an educational activity program for kids.

Special Event Coordinator: A new position that will handle special events and coordinate members who serve as docents and speakers.
